

AGRY 59800

African Development Activities

Spring 2011

Wednesday & Friday, 8:30 – 10:20 AM

3 credits

CRNS 54578 & 54579

University of Fort Hare
Together in Excellence

This highly interactive course will examine agricultural, cultural, economic, environmental, and social aspects of sub-Saharan Africa with an emphasis on agricultural development activities in Kenya and South Africa. We will learn together as both students and faculty develop presentations, papers and discussions, and interact with students and faculty at Ivy Tech Community College in Lafayette, Moi University in Eldoret, Kenya, and the University of Fort Hare in Alice, South Africa.
